FEATURED BREEDER

NICK & ROGER THYS

Youngsters From the Best Racers

For Nick and Roger Thys, 2025 once again proved to be another outstanding season in pigeon sport. One of the true crown jewels is undoubtedly Black Pearl, mother of two National Ace Pigeons: 1st National Ace Great Middle Distance 2022 (Lotte) and 1st National Ace Allround 2022.

The biggest eye-catcher of recent years is Iron Sagan, crowned 1st National Ace KBDB Allround Young Birds 2024 and 10th National Ace KBDB Middle Distance 2025. And this only names the very tip of the iceberg.

In 2026, Nick and Roger Thys raised the bar once again, collecting no fewer than six National KBDB titles. The absolute highlights were 1st National Champion KBDB Great Middle Distance Old Birds and 1st National Ace Pigeon KBDB Great Middle Distance Young Birds with "Fonne Junior" (BE26-6102043). Fonne Junior won the national ace pigeon title with an outstanding coefficient of 0.714%, based on 11th National Châteauroux against 12,504 youngsters, 27th National Argenton against 15,769 and 76th National Bourges against 16,70

For the 2026 Tampa auction, Nick & Roger Thys present four youngsters from their proven racing and breeding families. Lot 1 comes from Son Witte 6 × Lotte, Lots 18 and 45 from Massis × Witkop, and Lot 61 from Broer Witte Angels × Sparrow's Girl. Their pedigrees also feature outstanding ancestors such as Black Pearl.

PIPA Pigeon Paradise

FEATURED BREEDER

JOS GOESSEN

Youngsters from Proven Champion Bloodlines

Jos Goessen has been a respected name in Dutch pigeon racing for more than 35 years, building an exceptional reputation in one-day long-distance racing. His famous “Den Argenton” became one of the most influential breeders in his loft, producing three NPO winners, including the legendary “Sagan”.

This outstanding bloodline continues to produce remarkable results, both in Jos's own loft and for breeders around the world. Among its most important representatives is “Witkopje Sagan”, a phenomenal breeding hen and direct daughter of Sagan.

Witkopje Sagan is the mother of “Super 60 Sagan”, crowned 1st Provincial Ace Pigeon Allround West Limburg 2024, and the grandmother of “Wout”, winner of 1st National Tulle against 4,185 pigeons. Her descendants have also achieved outstanding performances in major national races and international One Loft Races.

For the Tampa 2026 auction, Jos Goessen offers three young cocks from these prestigious bloodlines, including a direct son and two grandchildren of Witkopje Sagan. A unique opportunity to acquire descendants of one of his finest breeding families.

DEHON-DEMONSEAU

Young Pigeons from the Best Sprint Bloodlines

Daniel Dehon and Mee Hae Demonseau, based in Thulin, Belgium, have built one of the most successful sprint racing lofts in the country. Between 2015 and 2022, their pigeons claimed the 1st National Ace Pigeon KBDB Sprint title no fewer than six times, through champions such as National Ace 2015, Best Kittel, Daniel, Best Kittel II, Blue Best Kittel and Méchant Best Kittel.

Their remarkable Best Kittel family has become a cornerstone of PIPA Breeding, producing descendants that continue to achieve outstanding results worldwide.

One of their greatest champions is “Méchant Best Kittel” (BE21-1064614), crowned 1st National Ace Pigeon KBDB Sprint Yearlings 2022 with an exceptional coefficient of just 0.58%. This outstanding cock achieved multiple first prizes from Noyon and Pont, competing against fields of up to 2,445 pigeons.

In 2025, the loft continued to demonstrate its exceptional sprint qualities with new talents from the Best Kittel dynasty, further strengthened by the introduction of Olympic Gustave XIV bloodlines.

For the Tampa 2026 auction, Dehon-Demonseau offer two young pigeons, both paternal grandchildren of Méchant Best Kittel, representing one of the most prestigious sprint bloodlines in modern pigeon racing.

ADRIEN MIRABELLE

Proven Racing & One Loft Race Bloodlines

After many years of pigeon racing at a high level, Adrien decided to take a different approach to the sport... with fewer pigeons, going back to basics! It's not about quantity, but quality will make the difference.

This ambition has been shaped by top rankings at his own loft, but also with other fanciers and in One Loft Races. The right material is available, and Adrien is getting each year's numerous references from his birds flying in other lofts with several national victories and KBDB titles in Belgium but also in the United States where his birds are regularly achieving top positions in Illinois & Florida while no less than 4 victories were won in the OLR scene in 18 months:

- 1 Final Race Jerry's One Loft Race 2024 winner of 50,000$ for Freddie Majors, TX
- 1 Final Race Louisiana Perch Fee OLR 2025 (1 st drop) for Eric Olson, MN
  1 Final Race Las Americas Pro OLR 2025 winner of 50,000$ for Aztec Loft, DE
  1 Final Race Arizona Classic OLR 2026 for Louis Gurrino, FL

For the Tampa 2026 auction, Adrien offers five pigeons from several prestigious racing and breeding lines, including a direct son of Remco (Lot 42).

ADRIEN MIRABELLE

FEATURED BREEDER

SJOERD LEI

Youngsters from Proven Sprint & OLR Bloodlines

Sjoerd Lei has rapidly established himself as a competitive Dutch pigeon fancier, with a strong focus on speed racing and international One Loft Races. After rebuilding his loft in 2021, he assembled an outstanding breeding team around elite bloodlines from PIPA Breeding and PIPA Elite Center.

His young pigeons soon achieved impressive results in the Netherlands, while international One Loft Races brought further recognition. Highlights include 3rd Ace Pigeon at the Turkiye Premium OLR 2024, 1st Ace Pigeon Marismas OLR and 4th place in the Viking OLR Final.

Among his most important breeders is “Best Grizzle” (BE21-4202589), a daughter of the legendary Best Kittel and Grizzle Mama. By 2024, this exceptional hen had already produced a first-prize winner against 3,963 pigeons and become the grandmother of six first-prize winners.

For the Tampa 2026 auction, Sjoerd Lei offers two young cocks from these prestigious breeding lines, including a direct son of Best Grizzle and a son of her maternal half-brother, Full Brother GBK.

PIPA Pigeon Paradise

FEATURED BREEDER

KL. DE JONG EN ZN.

Proven One-Day Long-Distance Bloodlines

K. de Jong & Son, based in Ee in the Netherlands, has built an outstanding reputation in one-day long-distance pigeon racing. Originally a partnership between Klaas de Jong and his son Jacob, the loft continues today under the same name in memory of Klaas, who passed away in 2022.

Through years of dedication and careful breeding, the family has achieved numerous major victories, national ace pigeon distinctions and impressive NPO performances.

At the heart of this successful colony stands the legendary foundation hen “Fionella” (BE13-6302946), originating from Danny Van Dyck. Her exceptional breeding qualities have produced generations of outstanding racers, including the bloodline of “Torvi”, 1st National Ace Pigeon Yearlings PIPA Ranking 2021.

Another remarkable champion is “Kaj”, crowned 1st National Ace Pigeon One-Day Long Distance over 2023–2024, confirming the exceptional quality of the loft.

For the Tampa 2026 auction, Jacob offers four carefully selected pigeons from his proven breeding families, including a direct son and two grandchildren of Fionella, alongside a young cock from the successful New Hope × Jelca pairing.

FEATURED BREEDER

HARDY KRÜGER

Youngsters from the Legendary Black Power Family

Hardy Krüger, based in Rommerskirchen, Germany, has been one of the most respected names in German pigeon racing for decades. Already crowned German Champion at the age of just sixteen, he has built an exceptional family of racing pigeons, renowned for their performances in national competitions and International One Loft Races.

At the heart of this remarkable colony stands the legendary "Black Power" (DV07274-00-1245), an outstanding racer and foundation breeder. In 2002, he achieved 4th District Ace Pigeon against approximately 40,000 pigeons, before becoming one of the most influential breeding cocks in German pigeon racing.

Among his exceptional offspring are "Black Pearl", an Olympiad pigeon in 2011, as well as "Black Soul", "Blue Sky" and "Black Sky". Their outstanding performances established the famous Black Power dynasty, whose descendants continue to achieve remarkable results worldwide.

More recent champions, including "Pattaya Queen", 1st Ace Pigeon in the Pattaya One Loft Race 2022 against 8,747 pigeons, have further strengthened the international reputation of these bloodlines.

For the Tampa 2026 auction, Hardy Krüger offers five carefully selected pigeons, all carrying the prestigious Black Power bloodline through generations of proven champions.

FEATURED BREEDER

TEAM VAN OSS

Young Pigeons from Olympic Champions

Team van Oss, based in 's-Hertogenbosch, the Netherlands, has established itself among the leading Dutch pigeon racing lofts, with a particular focus on middle-distance and one-day long-distance racing.

Under the direction of Irving van Oss, the team has assembled an exceptional breeding collection, bringing together some of the finest champions in Dutch pigeon racing, including Olympic Yoni, Olympic Mick and Olympic Miss Annie.

The 2025 season was particularly successful, with twelve major victories, including five wins in Section 3 Eastern Brabant and two sector victories from Issoudun. These outstanding results confirmed the strength and consistency of the team's carefully selected breeding families.

Among their most prestigious breeders is "Olympic Mick" (NL21-1168277), ranked 1st Dutch Olympiad Pigeon Grown Up 2023 and 1st in the PIPA Ranking for Best Long Distance Pigeon in the Netherlands. Another exceptional champion is "Olympic Miss Annie" (NL21-1526740), 1st Dutch Olympiad Pigeon Long Distance and 1st National Ace Pigeon NPO One-Day Long Distance.

For the Tampa 2026 auction, Team van Oss offers two exclusive young cocks: a direct son of Olympic Mick and a direct son of Olympic Miss Annie, representing two outstanding Olympic bloodlines.

FEATURED BREEDER

TOM VAN GAVER

Youngsters from the Legendary Finn Family

Tom Van Gaver, racing alongside his father Marnik in Moortsele, Belgium, has established one of the country's most successful pigeon racing colonies. Their exceptional results in national competitions and international One Loft Races have earned them a reputation far beyond Belgium.

At the heart of this remarkable breeding family stands the legendary “Finn” (BE15-4211540), a proven racer and outstanding foundation breeder. Finn himself won 1st Provincial Tulle against 1,591 pigeons, achieving 9th National against 7,322 competitors. His descendants have gone on to achieve remarkable results in national ace pigeon championships and prestigious One Loft Races around the world.

The 2026 season brought further success, with Tom & Marnik achieving 3rd National Champion KBDB Long Distance Old Birds and 1st National Ace Pigeon KBDB Allround Old Birds with “Allround Infinity” (BE24-4173068). This exceptional hen also won 1st Provincial La Châtre against 953 pigeons and 8th National Périgueux against 3,435 pigeons.

For the Tampa 2026 auction, Tom Van Gaver offers four carefully selected pigeons from his outstanding breeding stock, including two grandchildren of Finn and two youngsters from closely related branches of the famous Finn Pair family.

BART GEERINCKX

Champions from the Legendary Little Star Family

Bart Geerinckx, based in Wommelgem, Belgium, continues the celebrated racing and breeding legacy established by his father Luc. Together with Jürgen, he has developed an outstanding colony, renowned for its national, provincial and zonal victories and exceptional breeding pigeons.

One of the family's greatest champions is “Little Star” (BE14-6174075), winner of 1st National Ace Pigeon KBDB Great Middle Distance Yearlings 2015. A daughter of the legendary “Blue Lagoon” and “Iron Lady”, Little Star combined exceptional racing talent with outstanding breeding qualities, producing generations of top performers.

The 2026 season brought further success, with Bart finishing 2nd National Champion KBDB Long Distance Old Birds. His outstanding racer “Little Magic” (BE24-6084629) won 1st National Zone Aurillac against 593 pigeons, following a 1st National Zone Bourges against 3,613 pigeons in 2025. The loft also achieved 1st and 4th Provincial Périgueux against 302 old pigeons.

For the Tampa 2026 auction, Bart Geerinckx offers five carefully selected pigeons from his proven breeding families, all carrying the prestigious Little Star bloodline.

PIPA ELITE CENTER

Youngsters from the Best Breeders

PEC PIPA Elite Center
Bred for Excellence

Founded by Nikolaas Gyselbrecht, the PIPA Elite Center (PEC) was established with one clear ambition: to preserve and develop the finest racing pigeon bloodlines for future generations. Over the years, its exceptional breeding program has produced national winners, ace pigeons and outstanding performers in international One Loft Races.

At the heart of this remarkable success stands the legendary breeding pair “Wacko Freddy” (BE13-4176517) × “Lieve” (BE13-6143659). Together, they produced extraordinary champions, including Porsche 911, 5th National Ace Pigeon KBDB Great Middle Distance Yearlings 2015, and Boxster, 8th National Ace Pigeon KBDB Long Distance Yearlings 2015.

The legacy of this exceptional breeding pair continues through generations of national winners. By 2025, their descendants had achieved an impressive 19 National victories in Belgium, confirming their place among the most influential breeding families in modern pigeon racing.

For the Tampa 2026 auction, PEC presents five carefully selected pigeons from its outstanding Porsche bloodlines, all tracing back to the legendary Wacko Freddy × Lieve family.

FEATURED BREEDER

FRITS & WYTSE MANTEL

Youngsters from Proven One Loft Race Bloodlines

Frits and Wytse Mantel, a father-and-son partnership based in Oudega, the Netherlands, have become recognised specialists in international One Loft Races. Since shifting their focus to OLR competition in 2018, they have developed an exceptional breeding colony, achieving outstanding results in demanding races across Europe and beyond.

At the heart of their success stands the legendary “Vardy” (NL15-1208645), an exceptional racer and foundation breeder. Vardy himself won 1st NPO Issoudun (751 km) against 3,319 pigeons before establishing an extraordinary breeding legacy. His descendants have achieved remarkable results in prestigious international competitions, including the Corabia Winter OLR, Algarve Golden Race and Viking OLR.

In 2026, Vardy's grandchildren once again demonstrated their exceptional quality. At the Viking OLR in Sweden, “Elin” and “Mondo” secured 2nd and 3rd Ace Pigeon respectively, while four grandchildren finished 14th, 52nd, 80th and 91st in the challenging final race.

The Mantel loft also achieved outstanding performances in the AS Golden Pigeon Race, Krakus OLR and AviRings Derby PRO during the 2026 season.

For the Tampa 2026 auction, Frits and Wytse offer four carefully selected pigeons carrying the prestigious Vardy bloodline, including a direct daughter, two grandchildren and a great-granddaughter.

JOS THONÉ

Offspring of All the Best Breeders and Racers

Few lofts have remained among pigeon racing's elite for as long as that of Jos Thoné in As, Belgium. Across generations, his colony has achieved countless provincial, zonal and national victories, alongside major successes in international One Loft Races.

FEATURED BREEDER

GEBROEDERS LEIDEMAN

Champions from the Legendary Crack 19 Family

André and Bert Leideman, based in Collendoorn, the Netherlands, have established one of Europe's most respected racing and breeding colonies. Their distinctive “Dutch Design” bloodlines combine the legendary Golden Dream and Silver Dream families, the Goed Grijs dynasty and the outstanding pigeons of Wolfgang Roeper.

The 2025 season brought nine major victories against fields of up to 21,251 pigeons. Their exceptional youngster “Olympic Danny” also earned selection for the 2026 Olympiad in Dortmund, while Leideman descendants continued achieving remarkable results internationally.

At the heart of their breeding success stands “Crack 19” (NL14-1466919), 1st Regional Ace Pigeon Middle Distance 2016 and father of the outstanding breeder “Arturo”.

For the Tampa 2026 auction, the brothers present five carefully selected youngsters, all descending from this exceptional foundation cock.

PIPA Pigeon Paradise

FEATURED BREEDER

PIPA BREEDING

Elite Bloodlines from the Best Kittel Dynasty

PIPA Breeding, based in Belgium, specialises in developing exceptional racing pigeon bloodlines through carefully selected pairings of national ace pigeons and proven breeders.

At the heart of its internationally renowned breeding programme stands “Best Kittel” (BE15-1029362), crowned 1st National Ace Pigeon KBDB Sprint 2017 after finishing 4th in 2016. His son “Best Kittel II” (BE19-4130060) became 1st National Ace Sprint KBDB 2020 and an outstanding breeder, while the closely related “Méchant Best Kittel” (BE21-1064614) claimed the national sprint ace title in 2022.

These remarkable families continue producing top performers internationally, strengthened by carefully selected Goed Grijs and One Loft Race bloodlines.

For the Tampa 2026 auction, PIPA Breeding presents five exclusive youngsters representing the prestigious Best Kittel dynasty and its closely related champion families.
